

# 1 Thessalonians 2

## Week 5: "Genuine Fellowship"

There was a lot of cynicism in Paul's day – A "Come on, what's the catch?" mentality. "What do you really want?" There are even historical records that suggest that traveling philosophers could pay certain groups to help "promote" them and their efforts. They could pay people in crowds to cheer or create a sense of hype, when in reality there was nothing.

There's a lot of cynicism in our day, along with the feeling that the "hype" of new ideas, individuals, or groups seems to be occurring more and more! People are skeptical & suspicious. Which is why "Genuine Faith" matters. Paul will continue his thoughts from the beginning of Chapter 2 and remind them of their "Genuine Relationship"!

The gospel frees us from putting up a front and enables us to walk in love with one another. Because Jesus has loved us sincerely and given his life away we can now love others sincerely and give our lives away as well. We are in this together!
